

Z[®]
2024

Thrill, raised to the power of Z[®]

It's been a revolution since 1969, and it hasn't stopped since. It calls to you with a 400-horsepower,¹ twin-turbo V6, a quick-shifting 6-speed stick, and the ideal balance of rear-wheel drive. Wrapped in a stunning body with a cockpit that's focused on the drive, it's a pure sports car the way only a Z can be. And for 2024, Z NISMO[®] raises the bar and serves up the ultimate thrill. Welcome to the revolution.

Nissan Z[®] Performance shown in Two-tone Seiran Blue TriCoat / Super Black.²

Accelerating what a driver’s cockpit should be

To create a great drive, Z® combines a pure sports car cockpit with advanced tech that takes you to the next level. You’re held in place with a driver’s seat sculpted for the way you move while everything from the steering wheel to the shift lever has been studied, shaped, and crafted to feel great in your hands. Advanced technology serves up what you need to know, keeping you informed quickly, brilliantly, and stunningly. Iconic yet advanced, the Z is the place a passionate driver would love to be.

Nissan GT-R®-inspired steering wheel

Contoured shift knob³ from a single piece of leather

Available synthetic-suede trim for enhanced seat grip

Driver’s seat cutouts for more precise steering and shifting

12.3" Digital dashboard with Sport Mode display

NissanConnect® 9" touch-screen display^{4,5}

Wireless Apple CarPlay® integration^{4,5}

Android Auto™ compatibility⁵

Alexa Built-in^{4,5,6}

400-horsepower, twin-turbo V6 engine

At the heart of the Z® is this 3.0-liter twin-turbocharged 24-valve V6 engine. An aluminum-alloy block and heads keep things light, while a water-cooled intercooler helps reduce the temperature of incoming air. Tech brings power with 350 lb-ft of torque starting at under 1,600 rpm.¹

6-speed manual and 9-speed automatic transmissions

A 6-speed manual transmission with available SynchroRev Match® means pure driving thrills. An available 9-speed automatic with shift-by-wire controls brings cutting-edge technology and response. The hardest part? Choosing only one.

A chassis built to respond

Z is designed to handle your favorite roads with monotube shocks and suspension tuning for enhanced response. Strong and lightweight aluminum and carbon-fiber composite components⁷ plus massive 19" RAYS® super-lightweight forged wheels with performance tires⁴ will give a G-induced smile in every turn.

Launch control and mechanical limited-slip differential⁴

Z's available launch control helps reduce wheel spin and hop by holding the engine at a pre-set rpm and modulating power as you pull away, to give you the fastest, most consistent acceleration every time. Adding to the thrill, no-lift shift technology helps you stay in the powerband. Combined with Z's mechanical limited-slip differential,⁴ it lets you enjoy every last rpm that the powerhouse serves up.

Nissan Z® Performance shown in Two-tone Seiran Blue TriCoat / Super Black² with Splash Guards (4-piece set) and Dual Racing Stripe.

nismo

The apex predator

Developed by the legendary motorsports arm of Nissan, the Z® NISMO® rattles the cages of the competition with a tuned 420-hp engine,¹ enhanced 9-speed automatic transmission, and unique Sport+ Drive Mode for incredible response.

Aerodynamics learned at the track make their way to the street. A unique honeycomb grille enhances engine cooling, while front canard wing vortex generators, wider sill side spoilers, rear air splitters, and a unique rear spoiler all help provide additional downforce.

Putting power to the pavement is a NISMO-tuned suspension featuring larger-diameter shocks and higher spring rates, massive Akebono® brakes with larger 15" rotors, and wider 19" lightweight RAYS® forged-alloy wheels wrapped in special Dunlop® tires.

Inside is as beautiful as it is focused with Recaro® seats, an Alcantara®-wrapped steering wheel with a red leather stripe at 12 o'clock, and a unique instrument display on the digital dash.

384 lb-ft of torque¹

NISMO body reinforcements

NISMO-unique RAYS® forged-alloy wheels

NISMO-exclusive front and rear fascias, side sills, and rear spoiler

420 hp¹

Professional Driver. Closed Course. Obey all traffic laws, always drive safely, and wear your seat belt.

CHOOSE YOUR COLOR & INTERIOR

Standard

Nissan has taken care to ensure that the color swatches presented here are the closest possible representations of actual vehicle colors. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colors at your dealer.

GENUINE NISSAN ACCESSORIES AND NISMO® ACCESSORIES

The ultimate personal statement

Every Genuine Nissan Accessory is custom-fit, custom-designed, and durability-tested. Each one is backed by Nissan's 3-year/36,000-mile (whichever occurs first) limited warranty (if installed by the dealer at the time of new vehicle purchase) and can be financed when installed by the dealer at time of new vehicle purchase. And with NISMO accessories, you're ready to take one of the most exciting sports cars ever to the next level.¹⁶
